What should the Oxford Region look like in the future?

You are invited to stop by and share your important ideas at the Oxford Region Public Open House at Penn's Grove Middle School Cafeteria. Refreshments will be served.

Wednesday, May 28, 7-9 p.m.

In 2024, residents responded to a public survey that would inform goals and objectives for the Oxford Region Multimunicipal Comprehensive Plan update.

Stop by and learn more about the survey results, draft goals and objectives, and opportunities to stay involved with the future of your community.
